Tools: After Effects, Premiere Pro, Photoshop, Illustrator, Blender, Autodesk Maya, Figma, Webflow, CapCut

Platforms: TikTok, Instagram, Facebook, YouTube

PROFESSIONAL EXPERIENCE

Freelance Motion Designer & Multimedia Artist

Self-employed | Commissioned Client Work

Jul 2023 - Present

- **Creative Range:** Took on a broad range of projects spanning motion design, 2D/3D animation, and graphic design. Clients ranged from corporate brands requiring polished visual assets to private individuals commissioning personal creative work.
- **Production:** Handled full project lifecycle independently, from brief intake and concept development through to final delivery, adapting visual style, pacing, and format to suit each client's needs and platform.
- **Corporate Visuals:** Produced motion graphics and branded assets for corporate clients, maintaining visual consistency and meeting brand guidelines across deliverables.

Self-Managed Art Account | Content Creator (@woshyjaja)

Instagram & TikTok | Original Digital Art & Storytelling

Sep 2022 - Jul 2023

- **Audience Growth:** Grew accounts to 30K+ followers generating 10M+ views through original illustration, motion, and narrative-driven storytelling.
- **Platform Strategy:** Applied algorithm knowledge, hook structuring, and pacing instinct to drive sustained organic reach and audience engagement across platforms (no ads used).

Media Specialist

MINDEF, Supply Base Central

Feb 2022 - Oct 2022

- Directed multimedia campaigns to communicate operational achievements through strategic visual storytelling, managing photography, videography, and post-production end-to-end.
- Documented key events and milestones through creative media, ensuring impactful documentation and a consistent institutional narrative.

Animation Intern

Onedash 22, Videography Services Provider

Sep 2019 - Feb 2020

- Contributed to motion graphics animation and video production for agency clients including JTC, MOE, and Marriott, converting written briefs and storyboards into polished visual media aligned with brand guidelines.
- Assisted in developing narratives and concept design, building foundational skills in translating written narratives into structured visual sequences.
