

TESTIMONIAL LETTER FOR JOSEPH KOH

30 December 2019

Joseph Koh was with One Dash 22 in the capacity of Animation Intern in 2019. His core responsibilities included conceptualizing, visual effects and animation.

During his time here, Joseph has been both reliable and capable. He has good time management and is very accountable. Joseph also shows enthusiasm and dedication in his work, clearly taking ownership of all tasks and work assigned to him. When it comes to feedback on his work, Joseph is teachable and receptive.

Joseph is also an approachable team player who gets along well with the team. This was demonstrated when he willingly stayed beyond office hours to help out his colleagues when their projects needed support.

With his adaptability and positive attitude, I believe Joseph will be an asset and bring value to any company he is in.

Should you require additional information, please do not hesitate to contact me. I will be happy to furnish you with greater details.

Yours Sincerely,

Venise Tham
